2018-2019 Charlotte Ice Hockey Sponsorships

About the Team: The UNC Charlotte Ice Hockey Club is a student run club that competes in the Division II ACC Hockey League of the ACHA. In the 2017-18 season the UNC Charlotte Hockey Club won the ACC conference. They were the first to ever win it as a 7 seed. Over the years the club has established a sizable campus presence through involvement with various other Student Organizations and national non-profits such as Make-A-Wish, Ronald McDonald House, Prevent Child Abuse America, and "Think Pink". In 2017 alone the team raised over \$4000 for these charities.

How Your Organization Can be Involved: Currently we are looking for sponsors to help cover our overhead costs for hosting games, travel, etc... We are a 95% student funded club at this point in time and are looking for local companies that wish to involve themselves financially and through cross-promotions with our organization. Should you decide to donate, your donation will be tax deductible as we are a registered club with a State University. We currently offer three tiers of sponsorship, each coming with different opportunities to advertise/promote your company:

Gold: Donations of \$600+

- Organizations logo will be placed on all signage in the arena at all home games as an official sponsor
- Your organization will be able to set up a table at any 2018-2019 home game
- Advertising space within the in-game announcements and broadcast (3 per game)
- Inclusion on all flyers handed out on campus the week prior to games

Silver: Donations of \$400-600

- Organizations logo will be placed on all signage in the arena at all home games as an official sponsor
- Advertising space within the in-game announcements and broadcast(3 per game)

Bronze: Donations \$200-400

- Organizations logo will be placed on all signage in the arena at all home games as an official sponsor

*Should you have any other request we would be happy to work with you.
